THRU : Chief, Economic Research
Chief, Materials Division

Transmittal of "The 1955-56 Food Situation in the European Satellites"

1. Attached please find three copies of a report entitled "The 1955-56 Food Situation in the European Satellites". This report is a partial substitute for Project No. 21.857, which has been cancelled.

2. The presentation of the food situation in the attached report is drastically reduced over the treatments which have been accorded this subject in the past. The purpose of the report is essentially to present in published form some of the more essential statistics on the food situation plus some comments on the significance of these statistics.
